Serving Health in Purest Form

KORNDROP[®]

REFINED CORN OIL

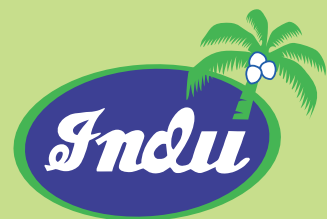

Promoting healthy living is at the core of our corporate philosophy and taking this mission ahead, we introduced our most iconic brand - KornDrop oil. KornDrop – refined corn oil is rich in Vitamin E, Omega 6 and polyunsaturated fatty acids. The high phytosterol levels in KornDrop help in reducing blood cholesterol. Another significant aspect of KornDrop is the refining process. We remove all free fatty acids and phospholipids from crude corn oil, giving KornDrop one of the most important qualities valued by the consumers: its excellent frying quality and resistance to smoking or discoloration.

KornDrop is today a household name in Gujarat and the most preferred corn oil brand by some of the best rated 5 Star Hotels, Food chains and more.
